Dedication

The Class of 1952 proudly dedicates this issue of L' ANNUAIRE to Mr. Joseph Foran . . . teacher, coach, and friend. Under his guidance the Blue Bombers brought home the first undefeated season in football and the first Lehigh Valley League Championship.

... About our Book

In our yearbook, we have attempted to convey to you the story of our high school days by comparing our growth and development with the maturing of a young and vigorous tree. Here is our story, from the time when we were mere sprouts in the soil of S. S. Palmer High School, to the time when we blossomed forth as Seniors.

Shiftless little seeds we were, wandering aimlessly about, when suddenly our teachers seized us and sowed us firmly in the fertile soil of P. H. S. While they cultivated and guided us, we grew into young but unsteady plants.

Then, as growing trees, we craved food and nourishment, and this we found in the many activities afforded us in our school. With these new interests we began to broaden and, while our limbs reached higher and higher, our roots spread deeper and deeper.

When the storms came with their wind and rain, we searched for health and strength to keep our branches in tact. We turned to sports and there, through competition and sportsmanship, we learned to withstand the elements of nature.

Soon, as budding underclassmen, we became curious as to what was in store for us. Peeking out from our tight, green shells, we looked forward with anticipation to a bright and promising future.

Suddenly our opportunity arrived and, flinging open our graceful petals, we blossomed forth as mature Seniors. The tree had reached its greatest height and we had reached our goal, graduation.

Dr. Roeder experiments with the school's new tape recorder.

Dr. Jesse Roeder first arrived in Palmerton in 1921 as a member of the high school faculty. He was soon advanced to the position of Principal and in 1926 became Superintendent of Schools in Palmerton.

It is Dr. Roeder who sees that P.H.S. has all the modern facilities possible. He attends many state and national conventions in order to keep up with the latest trends in education.

When asked what he does in his spare time, Dr. Roeder smiles and says he has so many activities that he can hardly squeeze in all of them. He enjoys playing golf and bridge. The Board of Trade, Lehigh Valley Motor Club, Board of Health, County Crippled Children's Committee, and the American Legion also claim much of his time outside of school.

Mr. Donald Denniston, a mid-westerner by birth, came to Palmerton in 1926 to replace Dr. Roeder as Principal of Stephen S. Palmer High School. Before coming to Palmerton, Mr. Denniston had been teaching in Sioux City, Iowa.

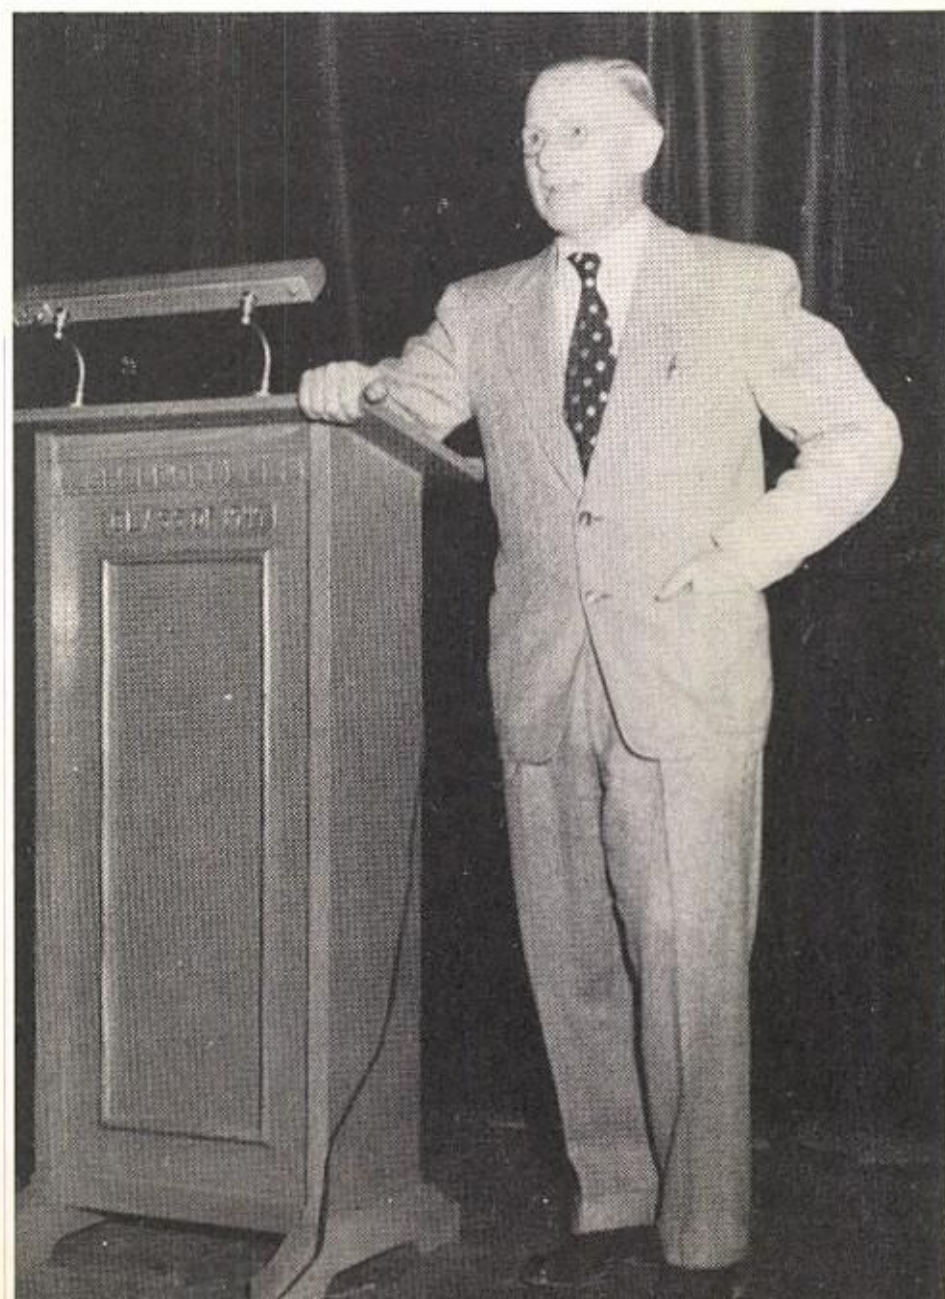

He is an avid basketball fan, and rarely misses a game. He also enjoys a good football game and can often be seen cheering the team to victory. In the winter he enjoys ice skating at the Memorial Park.

Our Principal is also an active member of the Board of Trade, the Exchange Club, and the American Legion.

Office Secretaries Helen Olivia, Anna Becker, and Gladys Zeigenfus.

The Seed is Planted

Today we are graduates! It seems as though it were just a few months ago that we entered the auditorium of our Alma Mater as seventh graders. How different it was then! We were all bewildered, shy, and a little scared. As we advanced through seventh grade we gained confidence, ably guided by such teachers as Miss Treweek, Miss Boyer, Mr. Berger, and Mr. Hunsicker.

The following year when we returned as eighth graders, it was a different group of boys and girls who were seated in the auditorium. Most of the timidity and fright were gone.

As Sophomores, we began our first year in Senior High. According to our interests, we enrolled in either the college preparatory, general, business education, homemaking, or industrial arts course. Here we had our first experiences with biology, the different foreign languages, homemaking, and business education. We were also able to work on the editorial, advertising and business staffs of *The Mirror* and become members of the Mixed Chorus.

By Our Patient Teachers

At this time the social events and extra things were becoming increasingly important to us. No one will ever forget our class parties and the good times we had at our annual outings at Saylor's Lake.

The high point of our Junior year was the Halloween Social. For weeks prior to the big event the members of the class worked hard to make our social the best ever given at Palmerton High. During the day we struggled with Mr. Eckert's plane geometry propositions and Mr. Blynn's history tests. We thought we'd never pass some of those difficult courses.

As Mature Individuals

Our holiday dances and the prom were also high points of our Senior year.

In retrospect, we think of the many happy years spent at P.H.S.—years of learning and living, together. Leaving the portals of our Alma Mater we will carry with us warm thoughts of our teachers, who, as counselors and friends, gave us the best possible start on our journey through life.

"It looks blue to me."
"No, it's green."

Oh, those adjective endings!

Activities Hasten Our Growth

The Student Council is

Mr. Conrad Wilker—guiding light.

The organization of a lost and found department is another activity of the student council. Under the management of Kerala Johnson, Junior, this branch of the council operates after school for the students' convenience.

Completing its fourth year of operation, the student council has continued to serve as the voice of the student body. This year under the able guidance of Mr. Conrad Wilker the council was especially active.

Peter Blynn was elected by the student body to serve as President during our Senior year. While in office, Peter led meetings of the council, introduced lyceum speakers, and helped to organize the student court.

The main project of the student council this year was the formation of a student court. In order to carry out this project an amendment was drawn up and passed by the student body giving the council the power to establish the court.

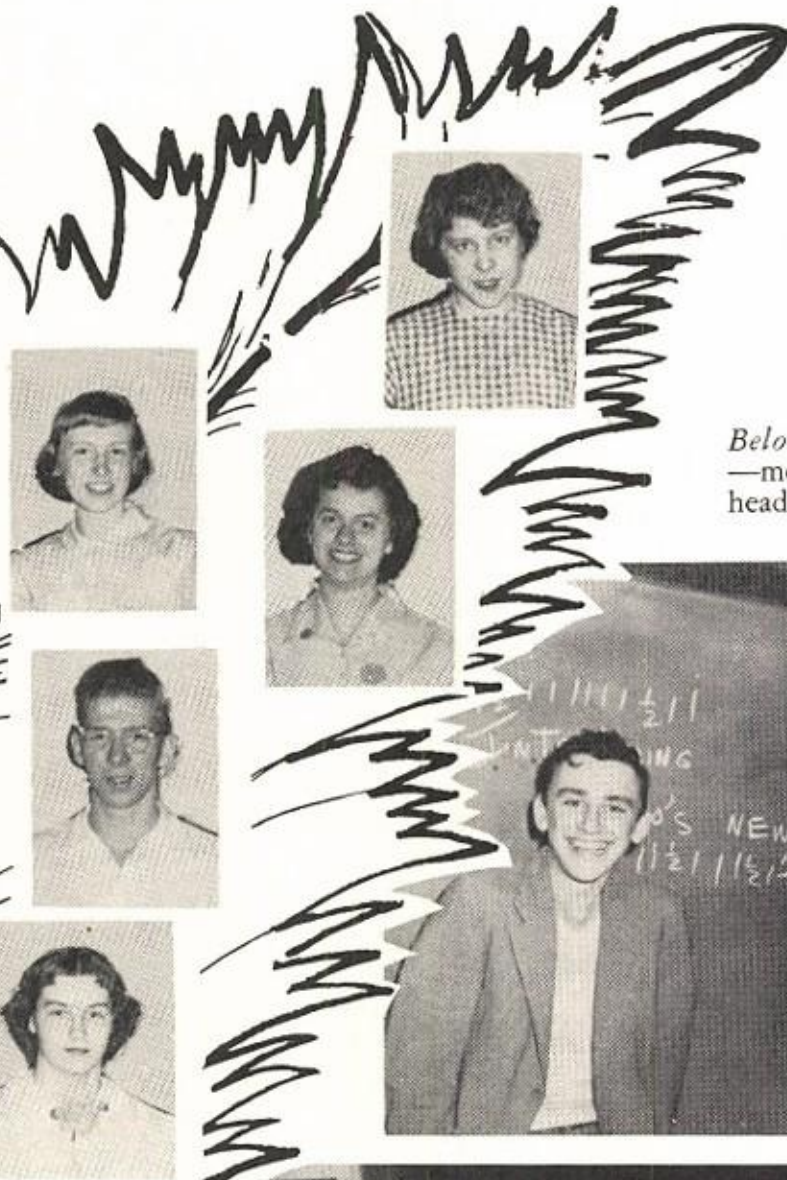

Edward Shiner, Junior, was elected by student vote to be the judge of the court. Tom Naratil, Senior, was chosen as assistant judge. One jury member from each grade was also selected. Serving as Secretary was Jean Rabenold.

The court conducts the trial of all cases of rule violations submitted by members of the hall patrol.

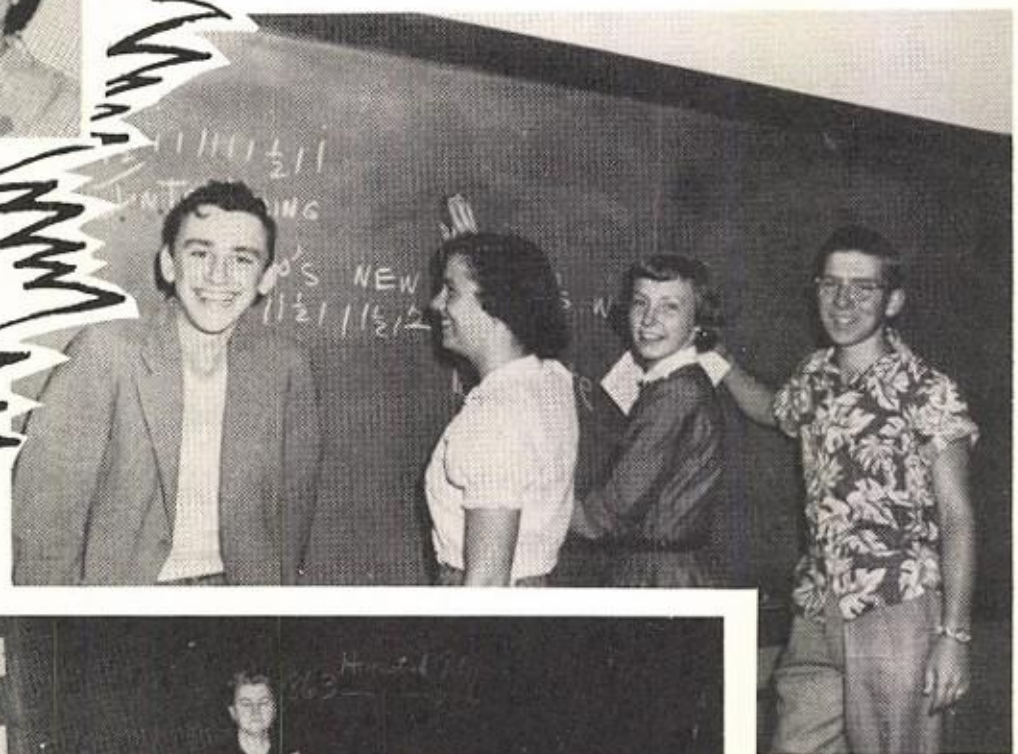

The Personality of Our School

This year was a big one for our school paper, *The Mirror*. It not only celebrated its 35th year of publication, but also was awarded first place ratings in both the Pennsylvania and Columbia Scholastic Press Associations.

At right is a quill containing the Senior editors and managers of *The Mirror*. From top to bottom they are: Joanne Matuska and Ann Barnett, Co-Editors; Anne Ebert, Feature Editor; Fred Walk, Sports Editor; Elaine Snyder, Advertising Manager; Jo Ann Steigerwalt, Circulation Manager; Jean Rabenold, Typing Manager; Dorothy Turek, Business Manager.

The typists for our staff consist of the Senior members of the commercial section with Jean Rabenold serving as their manager. Their job is to type all material which is submitted by the editorial staff, so it can be sent to the printer for publication.

The circulation staff, managed by Joanne Steigerwalt, sees to it that our paper gets around. Their main job is to prepare *The Mirror* for mailing to outside subscribers.

Dorothy Turek, business staff manager, takes care of the money. Keeping records and balancing the budget are her main headaches.

A group of Mirrorites gather at Columbia University for the C.S.P.A. Conference.

Helen Krepics, Ann Barnett, Anne Ebert, and June Hoffman enjoy a banquet at the Reading Senior High School during the P.S.P.A. Convention.

Although there is plenty of work connected with each edition of *The Mirror* there are also opportunities for members to enjoy the fruits of their labors. Each year P.H.S. sends delegates to both the CSPA and PSPA conventions. Those who attend return with knowledge and experiences to share with the other members of the staff.

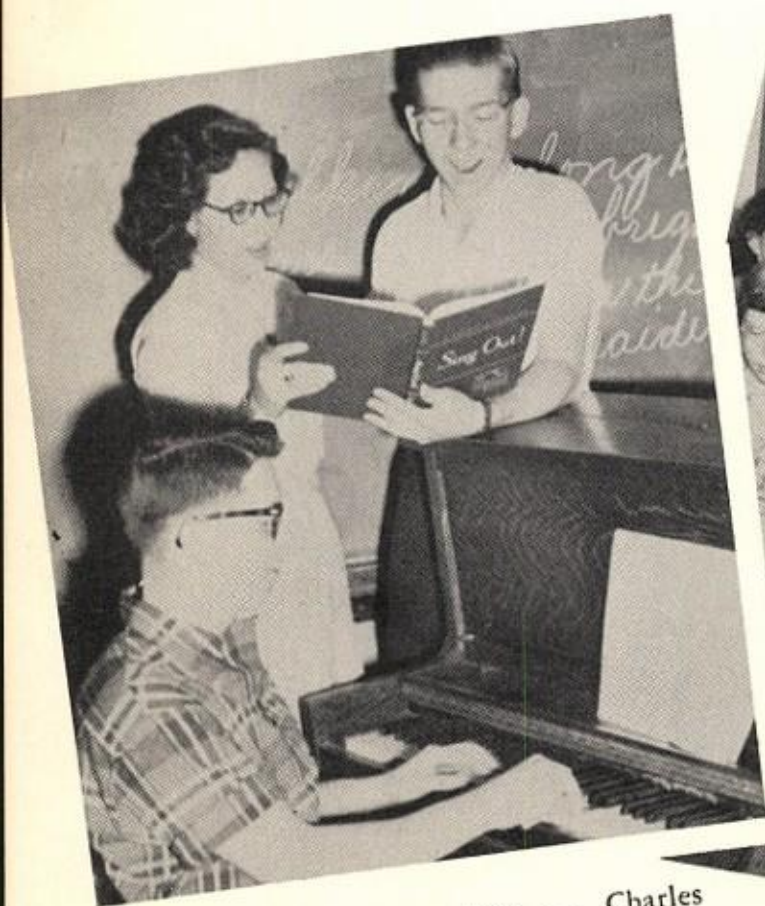

The Mixed Chorus and Directress, Mrs. Rita Albright.

Our vocal music department under the direction of Mrs. Rita M. Albright made many contributions to the extra-curricular program during the year. Its first project included a major part in the Annual Community Christmas Program after which the Mixed Chorus concentrated its efforts on the operetta. The Annual Spring Chorus Concert presented May 16 highlighted the musical activities of the year.

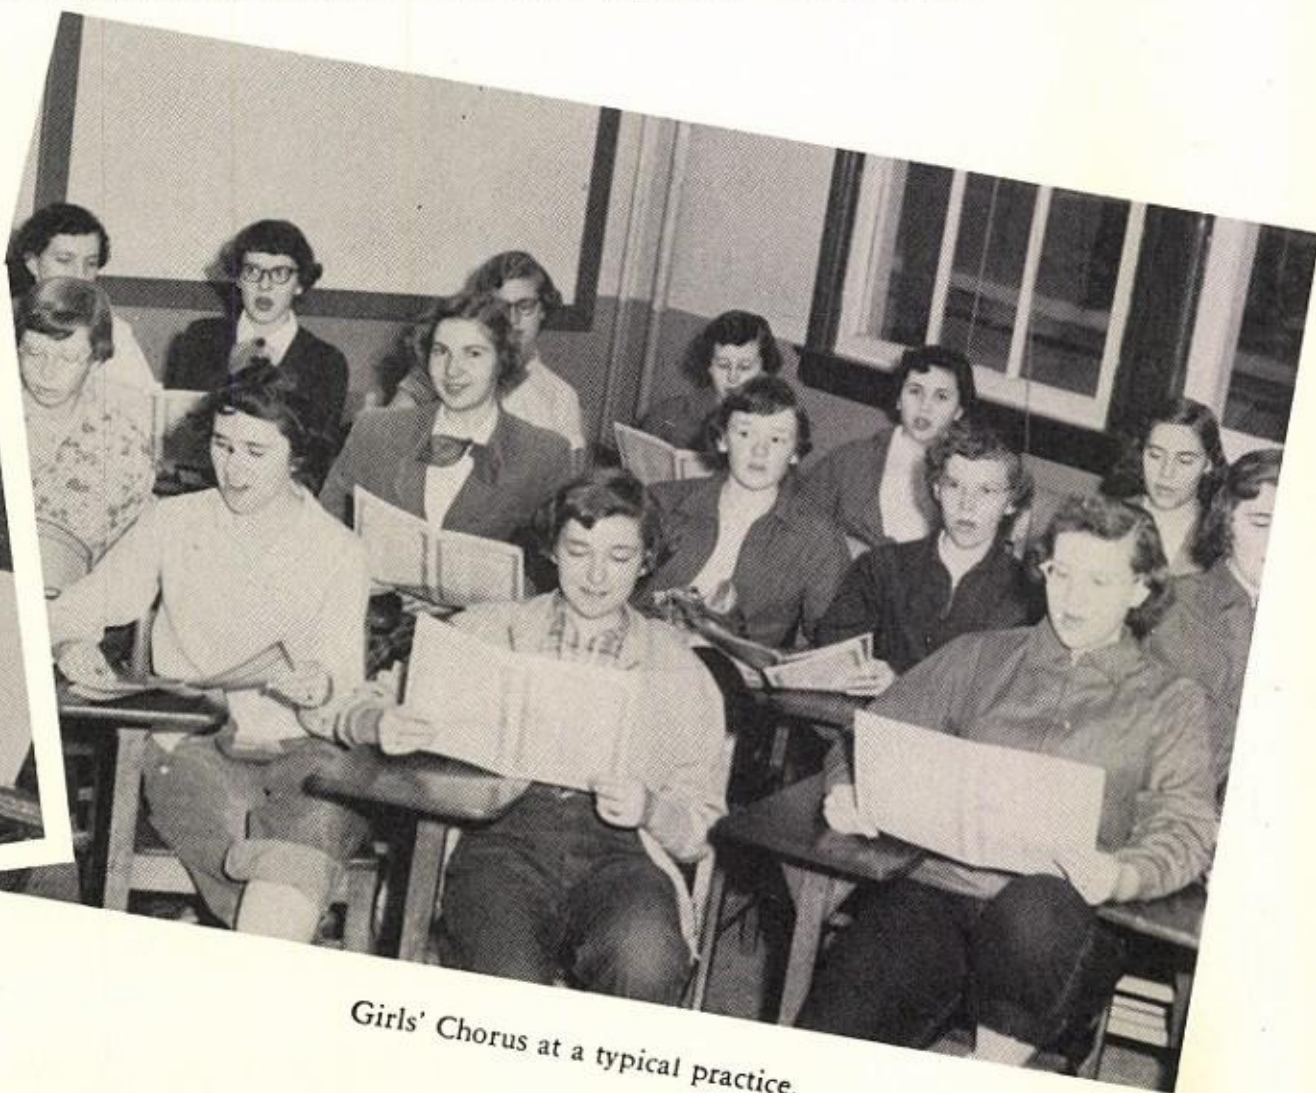

There's Music in the Air - - - -

Three Mixed Chorus members, Fred Walk and Marleyne Engle, Seniors; and Charles W. Smith, Sophomore, were chosen to represent P.H.S. at the District Chorus Festival in Lansford. Fred Walk also journeyed to All-State Chorus in Wilkes Barre.

Tune In, a comedy operetta in two acts with words and lyrics by Don Wilson, was performed by the Mixed Chorus, March 27 and 28. The Choristers will never forget those all-night, last-minute practices nor the experience this production has given them. Much of the credit for the success of the operetta goes to Mrs. Albright who worked hard and with patience unlimited.

on Wings of Music

Throughout the year Mr. Smith kept each of the seventy-eight members of the band busy practicing and performing at such events as football and basketball games and Commencement. Its biggest undertaking was preparing for the Annual Spring Concert held on May 2. Along with the excellent soloists at this affair, the concert was greatly augmented by Mr. Fred Cardir of Reading, who served as guest conductor.

The Palmerton High School Flag Twirlers are a special feature at athletic contests. Coached by Miss Emma Schlegel, who originated this type of flag twirling, the girls plan their own drills. Honorary Co-Captains of the squad were Anne Ebert and Ann Barnett, Seniors.

Members of the flag twirling squad are, from left to right: C. Andreuzzi, P. Roeder, A. Barnett, P. Smith, A. Ebert, J. Vido, M. Silliman, C. Bossard, and S. Mack.

The snappy baton twirlers add plenty of pep and rhythm at football and basketball games. Jane Schaffer, Senior, served as head drum majorette for two years while Janet Cambell, Sophomore, acted as assistant majorette.

The high-stepping baton twirlers are, from left to right: K. Oswald, M. Gower, P. Christman, K. Krepicz, J. Campbell, C. Mendez, N. Jendricks, and J. Schaffer.

Mighty Oaks from

The Blue Bombers raised the curtain on the 1951 season with a surprisingly easy 36-12 triumph over Whitehall High School. Joe Foran's veteran team displayed superbly co-ordinated line and back-field play which was to be one of its standout features during the entire season.

Holding "Reds" Featherman and his teammates in their own territory most of the game, the Bombers defeated Stroudsburg by a 13-0 margin.

The third game of the season against Catty found the Bombers a seven point underdog. Unleashing a powerful ground attack, the team came from behind in the last four minutes of play to edge out Cata-sauqua, 18-13.

Playing under the lights at Bangor, the Bombers scored a quick touchdown in the first few minutes of play, and were never headed as they won 27-6.

The next game on tap saw the mighty Koncrete Kids from Northampton, league winners for the past eight years, crumble 32-0 under the power of the Blue and White of P.H.S.

For the first time in the history of football at Palmerton, the Lehigh Valley League crown and an undefeated season were both in sight as the Bombers opposed the Green Hornets at Emmaus.

Sporting victory smiles are Assistant Coaches Hollywood and Blynn and Head Coach Foran.

Going into the game a seven point underdog did not seem to affect the Bombers as they scored the second time they got the ball. From this point on, sustained drives sent Werkheiser, Blynn, the Shiner brothers, and Meinhart into paydirt, as the Hornets were whipped 41-7.

Returning to the home stamping grounds, the Bombers, after a slow first half, teed off on the Lehighton squad and blasted the Indians 33-0.

Swooping down for the finale, the Bombers encountered the Slatington High squad on an ice frozen field before almost four thousand anxious fans. Early in the first quarter "Andy" Wasilkowski swept 28 yards through the Slatington team for a touchdown. Doug Shiner promptly picked a fumbled pass out of the air and, aided by fine blocking, ran the rest of the way for a TD. Wasilkowski scored twice more, on an intercepted pass and on a short line buck, to put the final score at 25-0.

The Zinc Boro Lads in winning eight straight games and their first Lehigh Valley League Championship displayed the brand of ball playing and fine sportsmanship that is the dream of every coach. This is partly what helped the Palmerton High squad to be ranked fifth in District XI and twentieth in Eastern Pennsylvania.

The Bombers who—voted as being instrumental in the team's becoming the only undefeated squad in District XI—were placed on the All-Lehigh Valley

The absence of height presented itself as the predominant factor of the 1951-52 hoop campaign as the Bombers completed the season with a 12-9 record.

Coach Joe Foran molded his team around the two sharp-shooting guards, Harry Mihalik and Fred Oravec. Richard Werkheiser and Tom Naratil provided the little height that was to be had, while the fine ball handling of Ed Shiner and George Perish aided the team a great deal. Other capable reserves were Stanley Mesaros, Doug Shiner, Richard Merics, and Steve Sebo.

The Bombers surprised both Allentown and Bethlehem, before bowing by close margins. The rest of the exhibition games brought their share of thrills and the Bombers hit their stride winning their first few league games before faltering and ending up with a 4-3 first-half record. The second half ended the same way to give the team an 8-6 record in league competition.

COACH SCHLEGEL

The girls' team, coached by Miss Emma Schlegel, enjoyed an excellent season, not only winning the league championship, but also going through their nine game schedule undefeated.

Captained by Ann Barnett, the bomberettes used their height advantage and accuracy to post their perfect record. In doing so, they posted scores seldom heard of in girls' competition.

Katherine Feder, Junior, and Sophomores Adela Garcia and Catherine Werkheiser provided the scoring punch for the team, while Senior guards Joanne Matuska, Betty Homewood, and Ann Barnett did an excellent job in controlling the banking boards. Other worthy reserves were Shirley Nothstein, Margie Andrews, Dorothy Buhay, Ellen Schuler, Nancy Jendricks, Marie Silliman, and Rose Neff.

Once again the cindermen of P.H.S. under the capable coaching of Mr. Willard Wilhelm loomed as formidable foes in the fast Lehigh Valley League.

Lehighton fielded an exceptionally strong team, however, and by beating the Blue and White squad for the first time since the Bombers' participation in track, managed to steal the flag from the Zinc men who had captured it last year. Lehighton also edged out the Bombers in the Lehigh Valley meet by one point, as the result of a highly contested second place tie they were awarded in the mile relay, the final event of the meet.

Palmerton displayed its well balanced team to the best advantage in the District XI meet held in Allentown, copping fourth place with 251½ points.

At Bat and in the Field

The team, although ending up with a 4-5 slate showed marked improvement over last season. Seniors John Kresge, Bruce Snyder, Joe Nagy, Pete Blynn, Ronald Costenbader, Andy Wasilkowski, and Tom Naratil formed the nucleus of the diamond nine. Fate befell the team at the half-way mark when they went into a four game losing streak. Top sluggers were Costenbader at .393, Nagy at .360, and Werkheiser at .348. Wasilkowski led the pitchers with a 3-3 slate.

Back row: Coach O. Blynn, R. Werkheiser, E. Shiner, R. Kibler, S. George, W. Fritzinger, R. Person.
Front row: T. Naratil, P. Blynn, J. Nagy, A. Wasilkowski, B. Snyder, J. Kresge, and R. Costenbader.

Senior Coach Ann Barnett holds an important conference with her team before game time.

Although boys' intramural activities were temporarily abandoned, the girls carried on a full program, including basketball, volleyball, and track.

Interest and competition was exceptionally keen this year among the numerous teams coached by helpful Senior girls. Each contest was played under the official rules of the game with referees and time keepers aiding in all procedures.

Probably the highlight of the season was the final event of the year, the intramural track meet, in which the boys also held their events. Plans are being prepared to make this an annual event.

Miss Schegel and her staff of girls who helped so willingly in the planning and presentation of this fine program are to be congratulated for the fine job they did.

Sport Sidelights

Its fifth year of organization proved to be an active one for the Varsity Club. Under the guidance of Mr. Wilhelm, Sponsor, and officers—Tom Naratil, President; Pete Blynn, Vice President; Pete Turko, Treasurer; Carl Kelchner, Sergeant-at-Arms; and Bruce Snyder, Secretary, the group sponsored social activities and various athletic attractions. Among them were a gymnastic exhibition by the East Stroudsburg State Teachers College Gym Team, a donkey basketball game, and a spring jamboree.

Letting out a lusty cheer are varsity cheerleaders: J. Rabenold, J. Hoffman, S. Nothstein, K. Feder, A. Garcia, S. Lewis, and M. L. Cunningham.

Right: W. Fritzinger being initiated into club by J. Smida and O. Shupp.

Oh! An Unseen Audience.

"Curtain time." The house lights dim and the audience is hushed. Tonight the annual Senior Class Play is being presented under the direction of Miss Ada James. The title of this year's play, "Growing Pains," describes the theme well—the trials and tribulations of teenagers. Co-starring in the leads are Mary Lue Cunningham as Terry, and Ronnie Kresge as George, both of the typical American family, the McIntyres.

The family's experiences look quite familiar to us but, as usually is the case, the teenagers survive their problems and the play ends in a confused, but happy, state of affairs.

to Saylor's Lake

The annual Senior outing at Saylor's Lake was another event eagerly anticipated by the whole class. Monday, June 9, was the date set for our outing.

Oh, how we watched the clouds get blacker and blacker on that day. We feared we would have to stay home. When it began to rain our spirits really sunk. With only faint hopes of being allowed to go we picked up our bathing suits and went to school. The more people that arrived, the more determined we became.

By the time most of the class had arrived, the sun began to peek through the clouds. We loaded our cars and drove to the lake.

Except for one shower we had a beautiful day to enjoy swimming and boating. Indoor games plus a never-ending supply of cokes made it an unforgettable day of fun.

The Senior Prom

Seniors have first choice on the "park bench."

Our Senior Prom. A night never to be forgotten. Not even May showers could dampen the spirits of the gay crowd which danced to the smooth rhythms of Buddy Rader's orchestra. Wat fun we all had!

We will always remember the decorations of rose and white and the delicious punch and cookies that were served between dances. The three blissful hours flew by and after the last dance we realized we had entered another chapter in the book of wonderful times of our Senior year.

Mr. Frederic Snyder

The Commencement Reception was a perfect ending for our last night in P.H.S.

And Finally, Farewell

We, the Class of 1952, find it difficult to say good-bye. But we have reached the all important point in our career—graduation—the time when the cherished, long-awaited diplomas will be placed in our eager hands. Our thoughts automatically turn to the day when we embarked on our voyage through Palmerton High School. The menacing waves of knowledge lashed angrily at our ship. We were destined for unknown joys and difficulties.

As we reached our second year, with an eye to the future, we planned our course through uncharted seas. Only with the aid of our sister-ships—Juniors, Seniors and faculty—were we able to survive.

By our third year of service we had acquired sea legs; we were now more adapted to the routine of our duties. We set the pace for leadership, both in sports and social activities.

Throughout our fourth year we displayed our athletic prowess by an undefeated football squad, and our dramatic ability in the presentation of the comedy, "Growing Pains." With our journey nearing its end we all looked forward to the Senior Prom. Finally our ship will drop anchor; our destination shall have been reached. With happiness for our success, but regret for those who have not completed the journey, we shall receive our cherished diplomas at Commencement.

Some of our shipmates are looking forward to another voyage on the Sea of Knowledge, while others are satisfied with the knowledge they have acquired on this trip. It is safe to say, however, that proud of our past achievements and anxious for new opportunities, we will throw ourselves whole-heartedly into every worthy and noble venture. Obstacles are but a challenge to our courage. We recognize and appreciate the efforts exerted by our teachers, through whose guidance and patience we have come prepared to accept those challenges which will be offered in the wider fields opening before us. Those of us boarding the ship again, regretfully wave good-bye to those on shore—our loyal friends, teachers, and the sheltering arms of our Alma Mater. The joyful years that we have spent here we will never forget—Bon Voyage.
